Power Rating:	250 mW

### Using the Swivel Ear-Hook

Due to its flexible material the Swivel Ear-Hook perfectly fits a wide range of ears from large to small size. The speaker element is build inside the big round shape at the end of the ear-hook. It lays flat on the ear and makes communication comfortable. With the help of its rotation function, it can be used on left or right ear as well.

*adjustable*

*rotatable*
